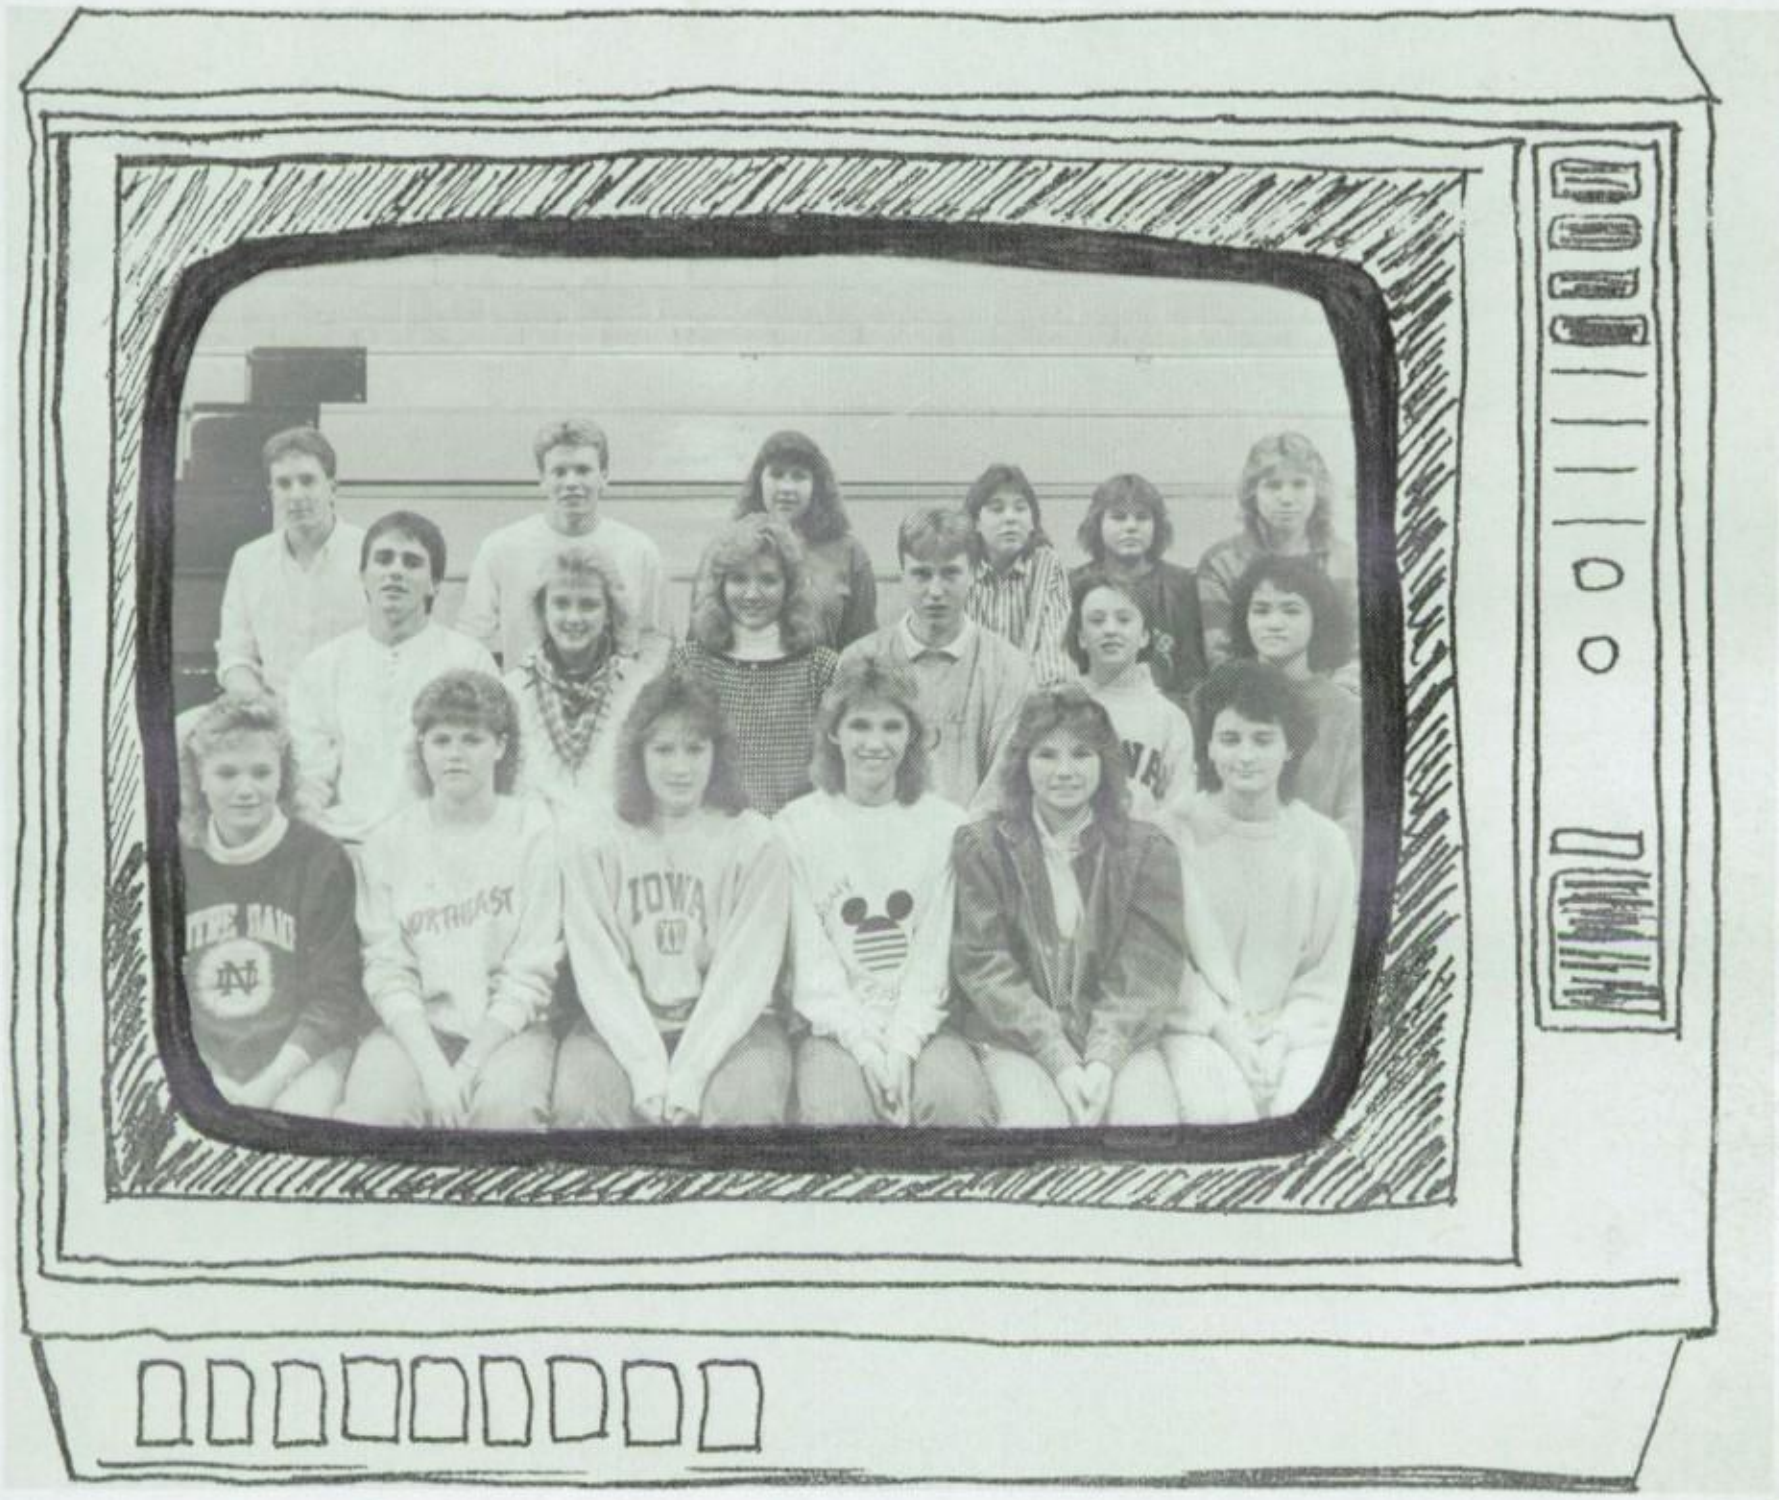
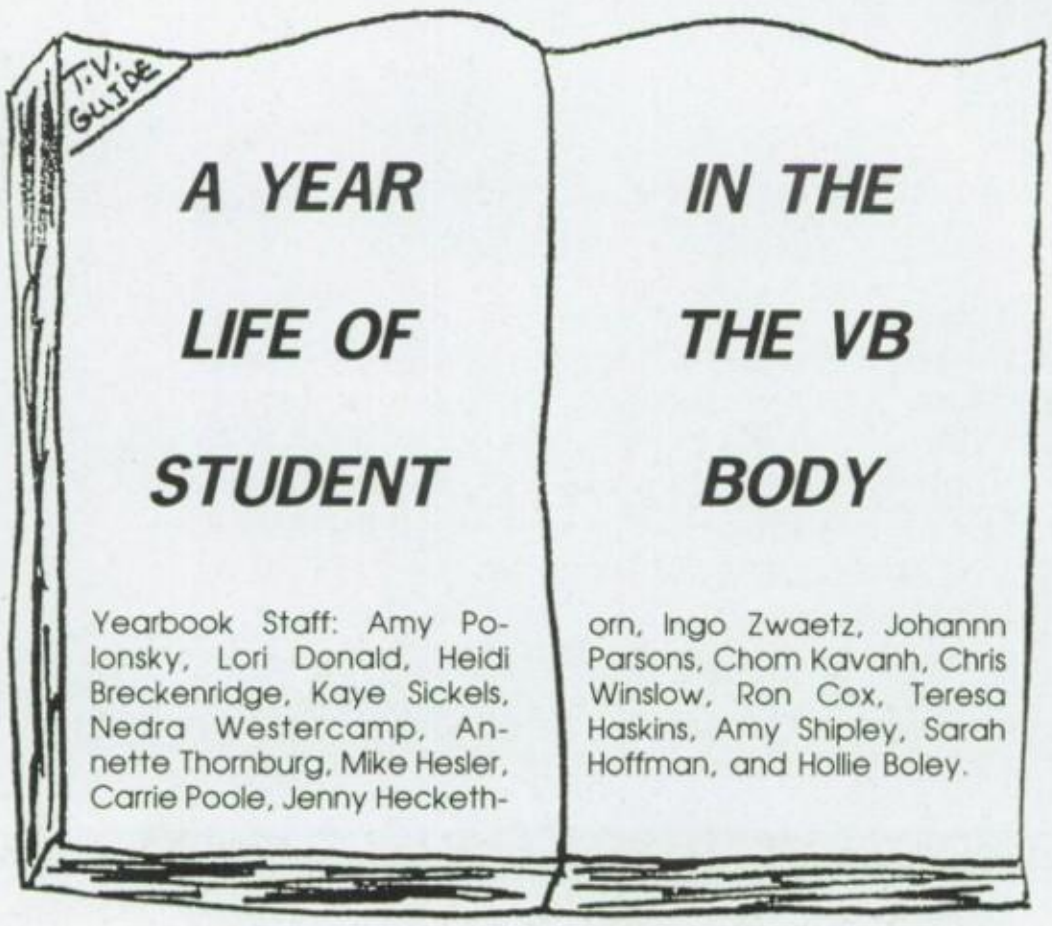
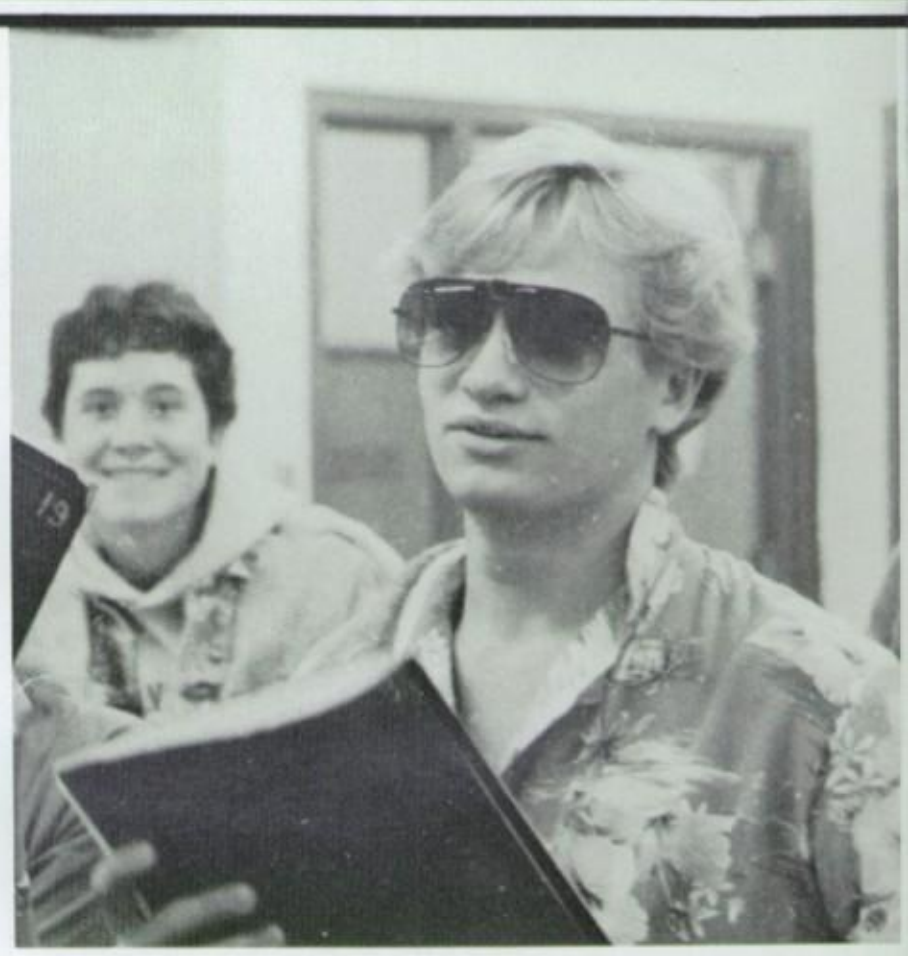
A SENIOR!

A YEAR IN THE LIFE





Yearbook Staff: Amy Polonsky, Lori Donald, Heidi Breckenridge, Kaye Sickels, Nedra Westercamp, Annette Thornburg, Mike Hesler, Carrie Poole, Jenny Heckethorn, Ingo Zwaetz, Johannn Parsons, Chom Kavanh, Chris Winslow, Ron Cox, Teresa Haskins, Amy Shipley, Sarah Hoffman, and Hollie Boley.



THE YEAR OF

The year of 87-88 was like any other school year in ways, but this was also a year unlike any other. Of course it had its usual classes but there were also strange ones. There were picture days and then there were the days when you just wanted to go crazy. There were happy days and there were sad days, especially for the seniors. All in all it was like any other school year, but there is always that little something that sticks in your mind about 87-88. It might be the sports seasons or music or it may be just the fact that it is your senior year.

1987-88.

Photos pg. 19-Top left: The Shriners Club at the Variety Show. Top left: Sophomores at the Christmas movie. Center: Another day in the hallway. Bottom: Caroling after the Christmas concert.

FULL OF . . .

Van Buren is just full of spirit. There are 3 spirit weeks held each year. These are filled with many activities that will show school spirit. There are also pep assemblies held through out the year. Homecoming is the biggest week of all. This week really shows the spirit. Of course, these spirit weeks couldn't be a success if it wasn't for the ones behind the scenes. This is the cheerleaders and the yell leaders. They lead us in school spirit all year.

SPIRIT

Page 20-Photo top, Pep assembly downtown, and Chuck L. and Kathy A. lead a pep assembly. Center is Jeff at a football game and the cheerleaders cheer our guys on. Bottom is a pep assembly during volleyball season. Page 21-Photo at top is our lovely ladies?? during spirit week, and Mindy, Nedra, and Pam during Christmas week. In the center is our football cheerleaders leading the crowd in a cheer, and at the bottom is a pep assembly during basketball season. At the center right is the reason behind our spirit. It is our school symbol, The WARRIOR!!

OPPORTUNITIES

VB offers many different opportunities. Among these are music, sports, clubs, and drama. Cheerleading is another opportunity. Above, the cheerleaders lead a cheer, and Cherie and Jeff are taking advantage of drama. Center left Steph goes for a dink with Bonnie backing her. The swing choir is another opportunity and Tracey E. gets involved in FHA. To the right is the marching band. With each of the four areas of opportunity, there are several break downs. That way everyone can get involved.

LEADERSHIP

Every group needs someone to lead them. VB has a lot of groups and a lot of leaders. Whether it's the chairman of a committee, the club president, or the team captain, VB's leaders make sure the job's done right. One set of leaders that are on the top for importance is the class councils. Top left-Freshman council: Jon Phelps, Denise Workman, and Joe Fye. Top right-Sophomore council: Josh Perry, Carrie Poole, and Tracey King. Bottom right-Junior council: Linda Thornburg, Tom Metcalf, Marni Leoffler, Rod Burns, Bonnie Brown and Brian Meek. Bottom left-Senior council: Ron Cox, Brenda Lunsford, Mike Hesler, Mark Paulek, Cherie Gano, Larry Miller and Nedra Westercamp.

ACHIEVEMENTS

Achievements are a part of high school. This may be in academics, sports, or music, but there always is something to achieve. One of the highest achievements at VB is attending the Rotary Banquet where the top ten of each class are honored. These are (top left) Seniors: Carl Fye, Kaye Sickels, Rick Johnson, Annette Thornburg, Joy Caves, Nedra Westercamp, Larry Miller, Chris Winslow, Barb Looney. Juniors (top right) Karen Carter, Rod Burns, Mike Murphy, Brian Meek, Tom Metcalf, Lori Donald, Sandy Smith, Bonnie Brown, Charlotte Dodds, Marni Leoffler, Sophomores (center) Josh Perry, Missy Carr, Carrie Poole, Jeff Vorhies, Rob Carr, Brent Miller, Deb Lunsford, Joey Bishop, Curt Franklin, Don Morrison. Freshmen (bottom) Amy Manning, Marea Chase, Angela Gibson, Chom Kavanh, Joe Fye, Chuck Powell, Deanne Burns, Sarin Bennett, Denise Workman.

REWARDS

High School is also full of rewards. They may come in music, sports, or clubs but they are great! It may be a trophy at marching contest, a pin in wrestling, or an award like the award to NHS for contributing to Heart Association. It may be an award at one of the end of the year banquets such as music or athletic. Each student's hard work deserves to be rewarded in some way.

SPECIAL MOMENTS

This year was also a good year for the friends. All of us have that one special person that we call our best friend and while we are in high school there are many special moments that we spend with that person. It might be the games or the concerts, but what ever it may be we'll always remember that person. Some of us will keep in touch after school, and some of us will cherish the special moments spent with that person.

WITH FRIENDS

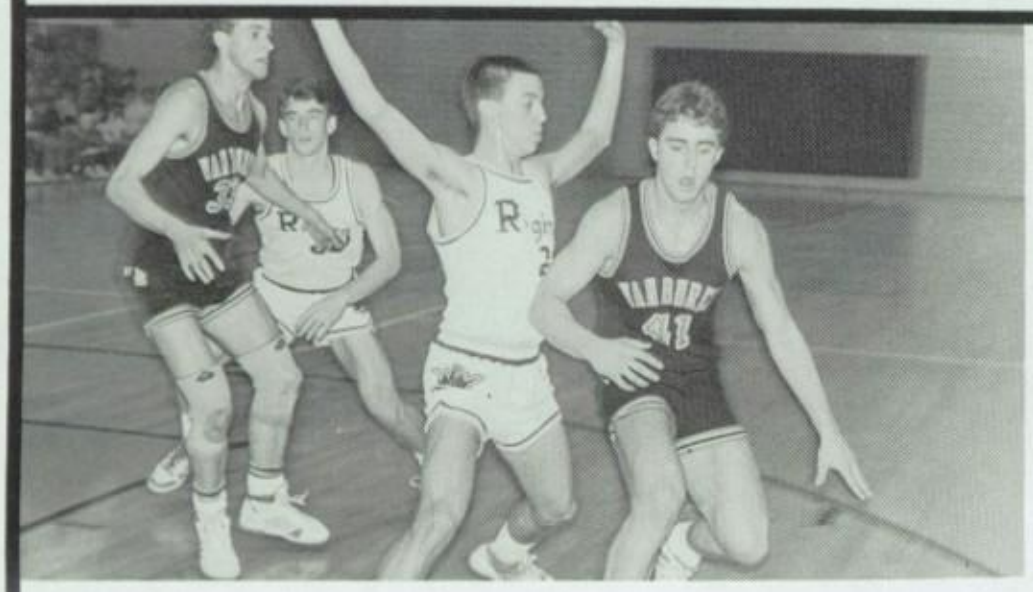
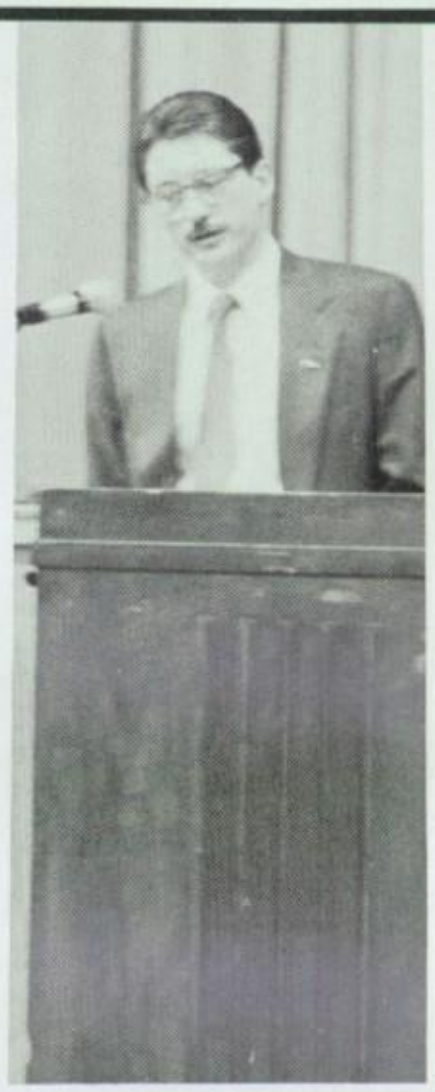
A YEAR OF

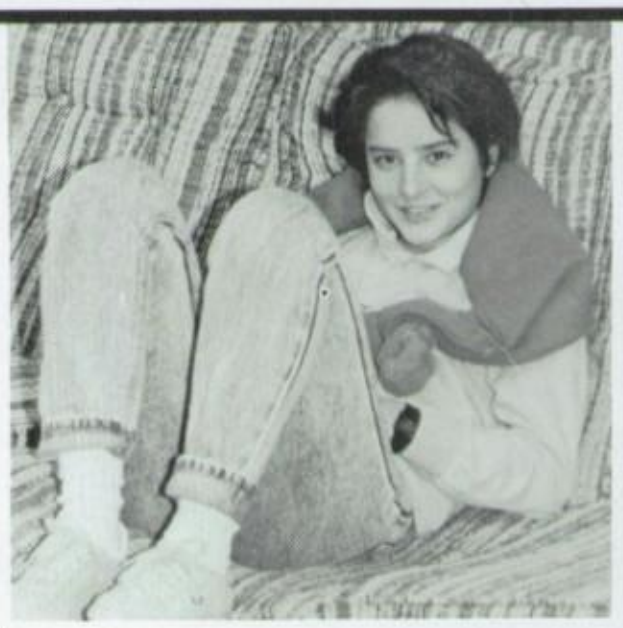
For every school year there are times people always remember. For VB there has been several for 1987-88. There was homecoming and the football season, which no one will forget! There was the fall play "Bullshot Crummond" and the successful marching band season. No one will forget all of those Spanish Club bake sales on their quest for a trip to Mexico! Charles Grassley also came to visit and of course everyone will remember his taste for fashion. And no one will let Mr. Roe forget his "nap". Especially when he told us what to do before we gave blood and he was the one to pass out.





REMEMBRANCE!

As the year goes on there is so much to remember. Of course, no one will forget the boy's basketball season or the Variety Show when Rick died as a "leader of a pack"?! Then there was the NHS induction when Representative Phil Wise spoke and the long three hours of Jump Rope for Heart. We ached for days! We then moved on to "Dark Deeds at Swan's Place" or was it "Never Trust a Tattooed Sailor"??? Prom is something nobody forgets, especially this year. The seniors will never forget it! We won't forget you juniors either!!! Then came the big day for the seniors, Graduation. It's an unforgettable moment, but it's also a time we look back . . . a look back to a "year of Remembrances."



VB'S PERFECT STRANGERS

VB's 24th AFS student is Lea Schirnhofer. Lea, 16, is from Salzberg, Austria. Her parents are Peter and Inge Schirnhofer and she has a brother, Jan. While staying here she has lived with Richard and Gloria Breckenridge and has 1 brother, Eric and 2 sisters, Amy and Heidi, a VB junior. Heidi, Lea and Gloria are pictured at the right.

While at Van Buren Lea has participated in chorus (top right), swing choir (top left), volleyball (center left), basketball (center), track (center right), and NHS (pictured on page 30 with Ingo).

Upon return to Austria she plans to finish her high school education and go on to a university.

We'll miss you, Lea!!

LEA & INGO.

Ingo Zwaetz was a new twist for VB. He was a guest under the International Youth Exchange. While at Van Buren, Ingo was involved in Yearbook, football, track, and the Letterman's Club. He was also tapped into the National Honor Society along with Lea. Ingo's host parents were Lawrence and Connie Tedrow. Something else that is not always possible for foreign exchange students, Ingo's father from West Germany visited VBHS for NHS induction and graduation. Ingo will be remembered for his ability to talk. We'll always remember you, Ingo!

Well, the year finally came to an end. It was a great year. Don't look so surprised Shep! It really was a great year! The four classes of high school had their ups and downs, but they made it. Everyone remembers high school, but there is always one year that stands out. For some it was last year and for others it may be next year, but for the Seniors of '88 this is the year. Hopefully we have captured those memories for you.

THE YEAR

1988

We made some changes in the yearbook this year. Among them are the use of a theme and the use of design to tie sections together. As a member of the staff, I felt we had a successful year. We met all our deadlines! I knew you would stand up and cheer! As an outgoing senior, I wish the best of luck to everyone.

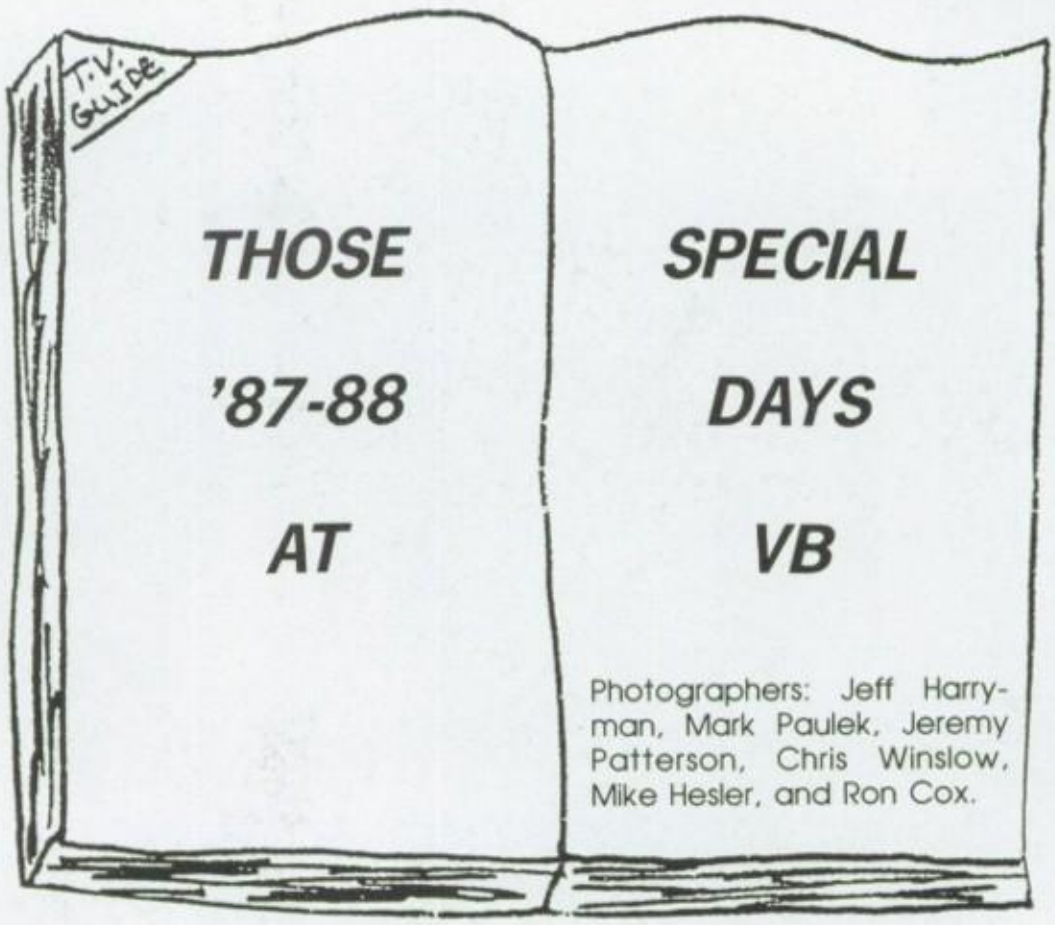
DAYS OF OUR LIVES



HOMECOMING '87 . . .

King and queen candidates: Lea Schrinhoffer (honorary), Amy Polonsky, Steph DeHart, Brenda Lunsford, Cherie Gano, Carl Fye, Ingo Zwaetz (Honorary), Rusty Brauns, Mike Hesler, Jack Schafer. Attendants: Amy Manning, Deb Lunsford, Marni Leoffler, Heidi Breckenridge, Jason DeHart, Tracy King, Derek Haynes, Tom Metcalf.

"Wipe-Out" was the perfect theme for Homecoming '87. The week was full of dress-up days including Generic Day, Dress-up Day, Lifeguard and Surfer Day, Cartoon Day, and Orange-n-Black Day. Activities included lip sinc, Olympics-a victory breakfast for the football players, and a dance after the game.

WIPE OUT . . .

Seniors won overall for the week. They won the lip sinc with "The Streak". They also won some of the dress-up days, but there was participation by "Sylvester & Tweety". Oops! I guess that is Brian M. and Tim B. The seniors also won the Olympics which were held after the pep rally. They were followed by the parade.

Seniors were the only class to have a banner this year due to the new competition, window painting downtown. It was won by sophomores. Before the game Steph DeHart and Mike Hesler were crowned King and Queen of Homecoming '87. The week ended with a 26-6 victory for the Warriors over West Burlington.

BULLSHOT CRUMMOND . . .

On November 13 and 14 in the high school gymnasium, the VB Drama Department presented "Bullshot Crummond." This parady of a 1930s low budget grade "B" detective movies was full of creative special effects. This play was about "Bullshot Crummond" (Mike H), a British investigator hot on the trail of "Otto Von Bruno" (Jeremy P), a fiendish German spy who has captured "Professor Rupert Fenton" (Tim B) for his diamond formulas.

"Miss Rosemary" (Cherie Gano) comes to Bullshot for his help when her father, the Professor, is captured. This play was full of creative effects such as a car chase, a plane crash, a sword fight, and several fight scenes. Bullshot was also known for his disguises such as the sheek.

NOV. 13 & 14 . . .

The cast and crew consisted of "Lenya Von Brunno" (Barb Looney), "Miss Rosemary" (Cherie Gano), "Slymes" (Don Morrison), "Waiter" (Jeff Harryman), "Marovitch" (Charles Heston), "Coast Watcher" (Maria Chase), "Slymes" (Abby Kisling and Joe Fye), "Algy Longwort" (Scott Lowe), "Professor Rupert Fenton"

(Tim Bradfield), "Bullshot Crummond" (Mike Hurley), "Policeman" (Dusty Null), Josh Perry (lights), Scott Starnes (special effects), Mark Paulek (lights), "Otto Von Brunno" (Jeremy Patterson), "Hitman" (Jon Keller), Kaye Sickels (sets and special effects) and "Slyme" (Pam Johnson).

DARK DEEDS AT

The spring play was a success for the drama department in their performance of "Dark Deeds at Swan's Place" or "Never Trust a Tattooed Sailor" presented on the evenings of April 15 and 16. This melodrama of Jack Swan (Mike Hurley), and English sailor, and his troubles with Montague Leech (Mark Paulek), Carlota Castenet De San Diego (Barb Looney), and Bertha Birthright (Cherie Gano) is one that brought a new challenge . . .

Each performance was to 3 audiences rather than one. Their stage was primarily the gym floor with seating on three sides and the stage area to the back and used as part of the performance area. This setting allowed a sense of realism and intimacy not found in most stage settings.

I WON'T FORGET YOU . . .

"I Won't Forget You" was the theme for the 1988 Prom. The colors were red and black to go along with the theme of a masquerade ball. The evening started with the meal of ham, potatoes, salad, corn, a roll, and strawberry dessert. Pictures were taken and then the dance began. At 10 p.m. Mark Paulek and Nedra Westercamp were crowned King and Queen. They had the first dance to "I Won't Forget You", the prom theme song.

After the prom this year for the first time, the parents and community held a post-prom party. There were such things as a casino, movies, volleyball, dancing, and bowling. The night ended with an auction and the drawing for a waterbed and color TV. A breakfast of rolls and juice was served at 5:30 a.m.

GIRLS BASKETBALL

With two returning starters, the 1987-88 Warriorettes came out with an 8-6 Deerwood Conference record and a 10-12 overall record.

Two Warriorettes were placed on the Deerwood All-Conference 2nd team-senior Barb Looney and freshman Deanne Burns. Looney averaged 8 rebounds per game and totalled 56 steals. Burns averaged 21 points and 4 rebounds per game.

Co-captains Looney and Joy Caves plus Nedra Westrcamp (with 3 blocked shots!!), Lea Schirnhofer, and Steph DeHart all ended their high school basketball careers.

Comments from Coach Steingreaber: The girls worked very hard all year, and lost several very close games. Our Deerwood Conference finish was higher than most people expected at the beginning of the season, and we were at times a very good basketball team.

The JV ended their season with a 5-6 record. Coach Smith commented on their great improvement over the season.

WHATTA SEASON!

The Van Buren Warriors captured the Deerwood Conference title and were runnerup in the Quad County & District tournaments on the way to a fine 17 - 6 season. Hopes for a State tournament appearance were dashed when state ranked Iowa City Regina stopped the Warriors 65-58 in the district tournament finals. Eight seniors concluded their playing careers: Jim Wolf, Mike Hesler, Rick Johnson, Mark Paulek, Jack Schafer, Gerald Prevett, Ron Cox and Rusty Brauns contributed to an overall 2 year record of 32 wins - 12 losses. Included in the highlights for the season was a new single game scoring mark as the Warriors thumped Winfield-Mt. Union 106-62. At the other end of the spectrum, a game that drew state wide attention and also goes down as the lowest scoring game in school history a 13-11 win over Danville in 1st round district competition. Congratulations on a job well done, You will be remembered!

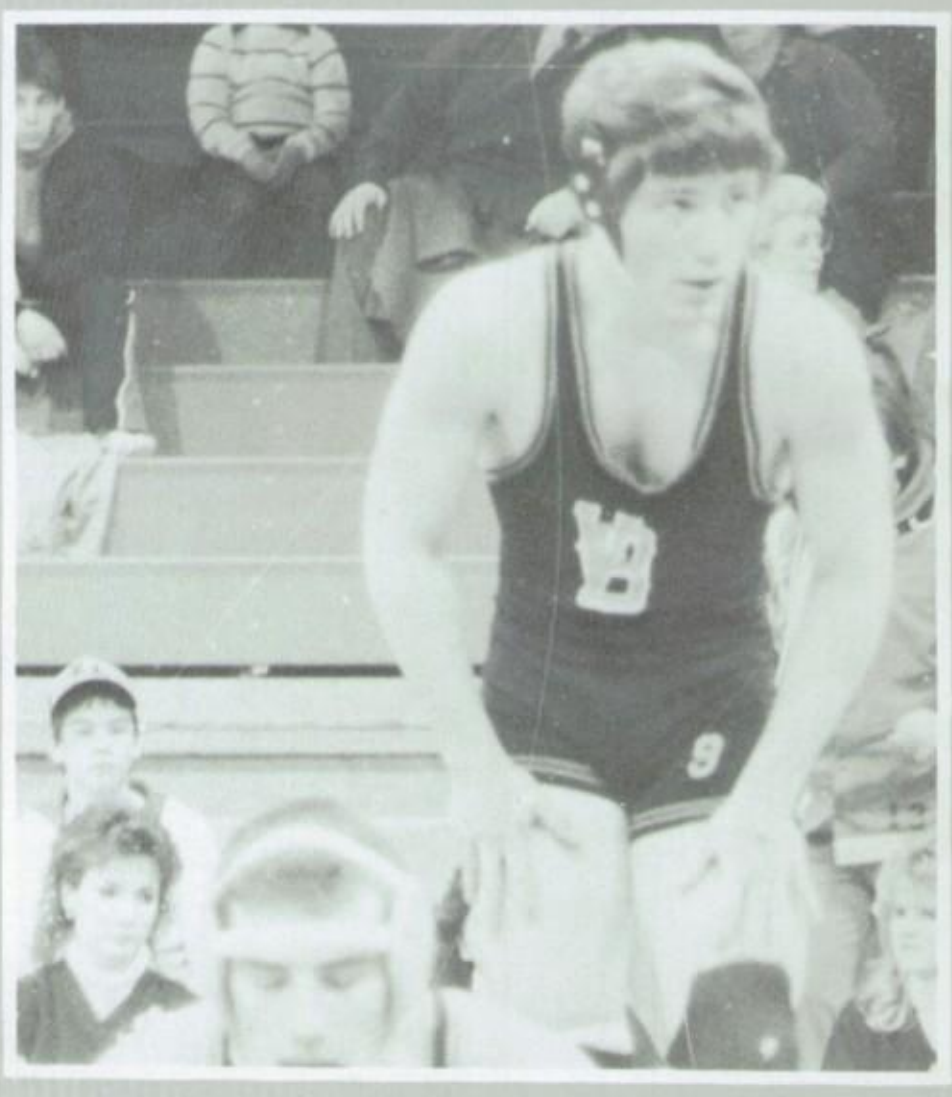
WRESTLING

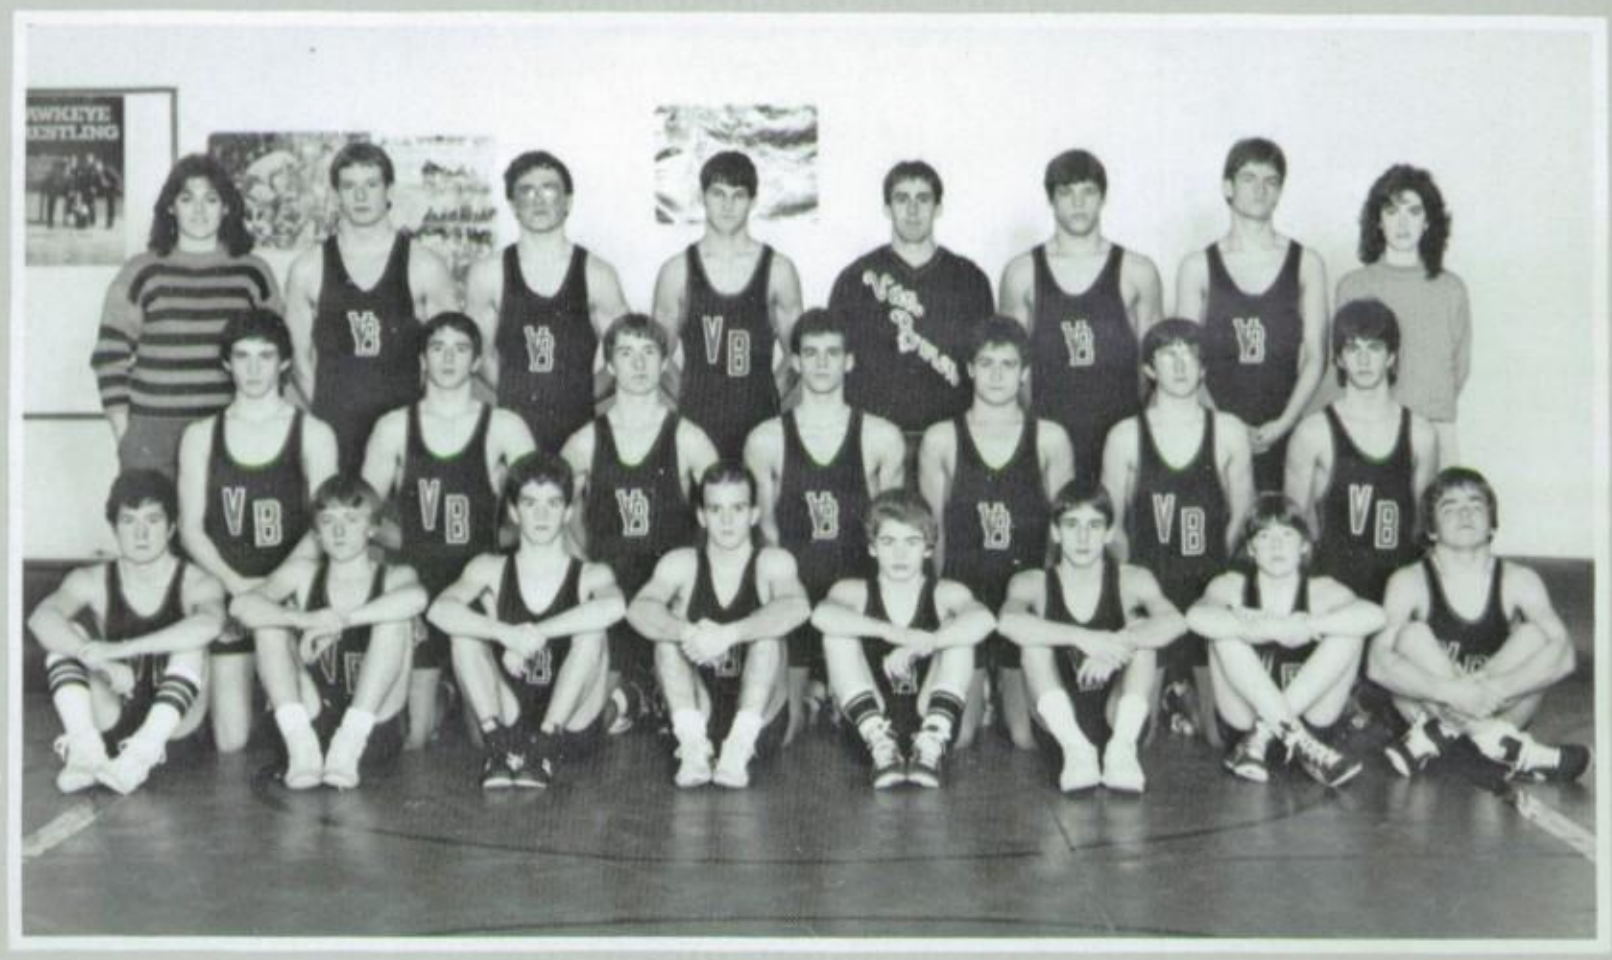
YOUNG TEAM LOOKS AHEAD

The '87-88 Wrestling Season was one of hopes and dreams, although the team as a whole didn't win there were a lot of hopes achieved personally. Coach Brian Moore had the following opinion of the year, "This year's team was very young and inexperienced. A lot of the young wrestlers gained the experience they need with varsity matches."

Going out for wrestling requires a lot, other than worrying about the team's weight control, they are to be in shape and have sharp skills. Practice is divided into thirds: 1/3 on their feet, 1/3 on excapes, and 1/3 on riding and pinning moves.

The captains of the teams were Scott Starnes, Sophomore and Carl Fye, Senior. The highlight of the season was Sophomore Scott Starnes winning sectionals.





Team: Derrick Weller, Rob Carr, Chuck Powell, Mike Johnson, Brent Heisel, Joe Fye, Joe Heckethorn, Scott Schafer. Row 2, Tracey King, Todd Coffman, Rob Caviness, Carl Fye, Sean Bruce, Robert Brown, Curt Franklin, Row 3. Mgr. The season stretched from March 23 to May 9, ending with the district meet at Columbus Junction. The young team began the season weak, but ended strong with several top relay teams. Several relay events were won by the girls at the Van Buren Invitational. Some of those winning teams were Shuttle Hurdle, 4 x 200, 4 x 400, and the Sprint Medley received 2nd. Some individual events won included: Barb Looney-high jump, Mindy Fitzsimmons-100m hurdles, and Sara Boecker-4th in the shot. The season ended with everyone winning medals and a much stronger team than at the season's start because team members always tried and kept working a little harder.

BOYS TRACK

TERRIFIC SEASON!

We "blew'em away! This was the reply 8 out of 9 times from a trackster after a boy's meet. The VB team often had double the number of points won by the 2nd place team. Records were broken and rebroken time after time by Ron Cox (3200 & 1600), Mike Hesler (long jump), Jim Wolf (high jump), Jared Robinson (shot & Discus), 1600 Medley (Wolf, Hesler, Haynes, Cox), and the 4 x 200 & 4 x 400 teams (Hesler, Paulek, Wolf, Haynes). The greatest achievements of the 1988 season were winning the conference and district meets and sending 6 guys in 9 events to the state meet!!!

The season was filled with win after win and in general blowing everyone else off the track. Coach Gary Leoffler (lower right) also helped send 3 team members to the prestigious Drake Relays. The 3 boys going to Drake included Ron Cox, Jared Robinson, and Jim Wolf. Three additional boys qualified for state: Derek Haynes, Mike Hesler, and Mark Paulek. It took tremendous team effort and much hard work by all for such a winning season!

The hard working team began conditioning on August 15 before school even started. After 3 weeks of training, out 1987 season began. The team ran a total of 10 meets plus districts, traveling from Ft. Madison to Ottumwa.

Coach McDonough feels the team record for 1987 was very good. The boys, each running 3 miles, led by 4 seniors, won many 2nd or 3rd placings, with their best placing a tie for 1st with Colfax-Mingo at the Ottumwa meet. Chuck, Tim, and Rick were our JV runners. V.B. SHARES

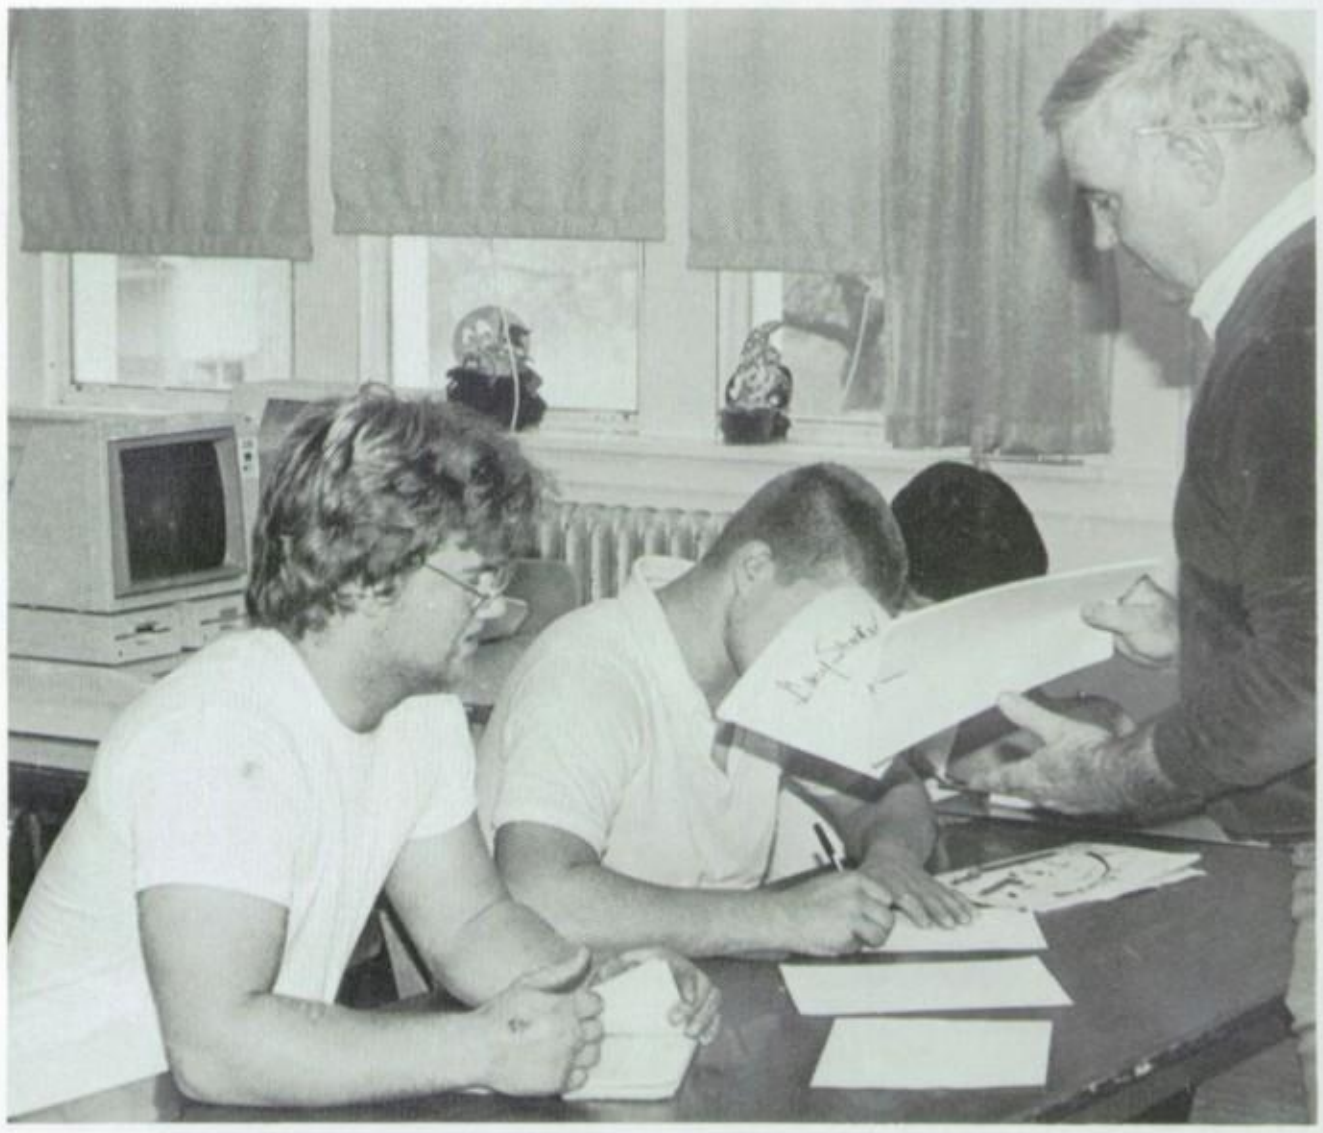
Van Buren tried something new this year. They shared courses and sports with the Fox Valley School District. Some examples of the sharing going on occurred in the MOC Program, Jr High football, and Agriculture courses being offered at Van Buren for the first time in several years by an instructor being shared with Fox Valley. To the right is Mr. Gary Stookesberry with a shared MOC class.



CURRICULUM GETS A

VB's curriculum got a boost this year with the addition of eight new computers and 3 printers. The Math Department received the most with the installation of 5 computers and 2 printers. This brought the computer total at VB to approximately 24. There are now four different computer classes being offered besides the 8th grade enrichment class. Mrs. Evelyn Williams is our computer instructor. Pictured is Miss Shepard with one of her computers.

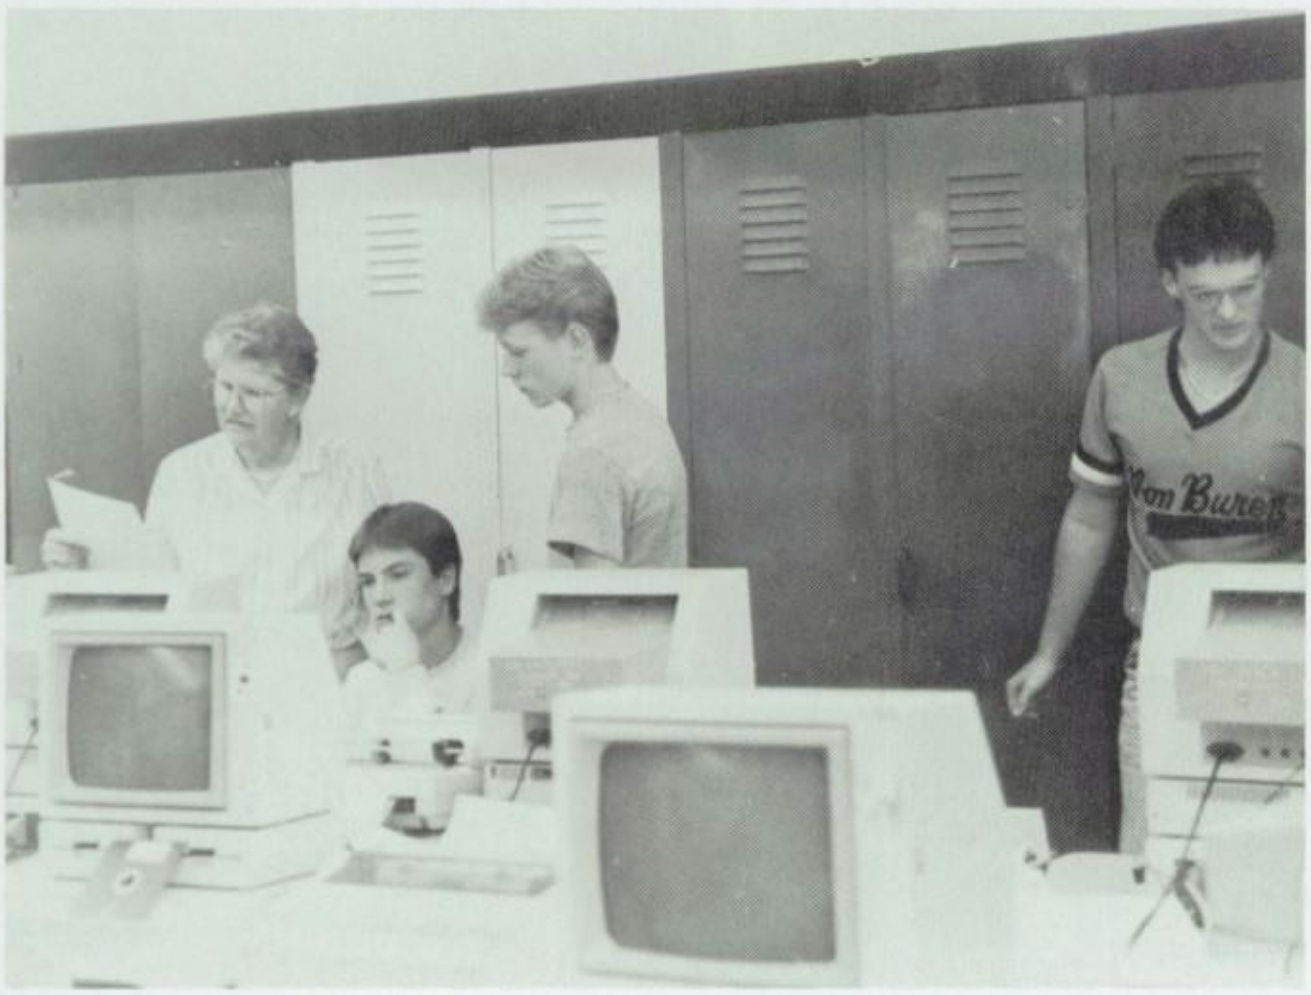
THEIR PROGRAMS!

As a part of this sharing agreement Fox Valley students were allowed to participate on Van Buren's sports teams in each of the following areas: 7-12 football, 7-12 wrestling, and summer 1988 softball. Both school boards have decided to continue the sharing agreement for the 1988-89 school year with some changes being made to the current agreement.

Pictured to the right is Van Buren student, Dusty Null, working with Mr. Mark Weis, our Agriculture instructor shared with Fox Valley.

BOOST WITH COMPUTERS



The computer class or lab has 9 computers and several printers. Several other courses are aided by computers including Art, Industrial Arts, Home Economics, Science, Language Arts, and Resource Rooms. A computer has also found a place in our library.

THE

Many new changes have occurred since last year for Iowa teachers. These changes involve the Phase I, II, and III program put into effect by the state.

The Phase I portion of the program brought the yearly income of all teaches in Iowa up to $18,000. This was greatly appreciated, since it is one of the lowest paying jobs that require 4 years of college.

The last Phase, Phase III, makes money available for teachers and school districts to produce new innovative teaching strategies, curriculum updates, or projects that will enhance learning.

What's a teacher?? . . . I remember in elementary teachers always said that if we ever had a problem we could come to them for help or advise. Back then though I thought that all a teacher did was hand out a lot of things I didn't think I needed to know. But, now that I'm older I'm finding that teachers are there for more than someone to help you with a Math problem, they can also be there as a friend and someone to ask advise to.

JUNIORS . . . LET IT BE?

In the Junior Class there are some that, as in the photo to the right (Sean Bruce, Dusty Null, Gary Haynes, Adam Miller, and Sophomore Josh Perry), try to find the solutions that life gives us, and others who say "Why bother? What will be will be."

SOPH'S ARE JAMMIN' RAISINS

Sophomores jammed out Homecoming Week, lip synching to "I Heard It Through The Grapevine." They came in third place in the competition. They also received first place in the window painting downtown. Although they had a fun time they had to get back down to business as they worked in Mrs. Humble's English II class.

Jr. High Drama - Approximately 60% of the 7th and 8th grade students enjoyed participating in either the winter, spring or both of this year's drama productions under the direction of Mr. Kepler. At Christmas time 5 skits were presented, two of which were written by 8th graders. In the spring the production was titled "Americalore" and included dancing ... thanks to Mrs. Stookesberry!
